### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: claims 1-6, 13-15, and 16-18 have been canceled. These claims are directed to nonelected species.

2. The following is an examiner's statement of reasons for allowance: the prior art does not teach or fairly suggest a light emitting device comprising a source line driving circuit; and a pixel portion comprising a source line and a power source line; wherein a last stage of the source line driving circuit is electrically connected to the source line, and wherein a power source is electrically connected to both the last stage and the power source line.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Vu whose telephone number is (571) 272-1831. The examiner can normally be reached on M-F 8am-430pm.
